ABOUT THE VILLA 14 GUESTS 7 BEDROOMS 6 BATHROOMS

Inside: accommodation at Villa Saracena is all on one floor. The front door leads into a large open-plan living and dining area area with superb sea views and access to two panoramic terraces, one of which is furnished for lounging, the other for dining. The spacious, well-equipped kitchen is accessed from near the dining table and also has a glass door leading out onto a shady area where you might wish to take breakfast.

To one side of the house there are three bedrooms: a double with en-suite bathroom with tub and shower and access to a lovely sea-view terrace, and two double-twins, each with its own en-suite shower room.

To the other side of the house are four double-twin bedrooms. One has an en-suite shower room, one a shower room next door, and the final two share a shower room.

Outside: after passing through the gate towards the ample parking area at the rear of the house, the first view of the villa is of white arches, extensive wrap-around gardens and the turquoise Mediterranean Sea.

The open-plan living and dining area spills outside onto shady terrace running along the entire façade of the property. Furnished for dining and lounging, this area boasts unforgettable views of the pool, the Gulf of Catania and Mount Etna.

Down below is the pool area, which offers the same remarkable views.
