MELINA

ABOUT THE VILLA

6 GUESTS 3 BEDROOMS 3 BATHROOMS

Inside: the main entrance leads into an open-concept and well-furnished kitchen-diner and living area, with access to the main outside terrace and pool area. Also on the ground floor are two bedrooms, a double and a twin, both with en-suite shower rooms and direct access to a slightly raised and fenced terrace overlooking the pool area.

Stairs lead from near the kitchen to the first floor, where there is another double bedroom with en-suite shower room, opening onto two private panoramic terraces that look down over the pool and the sea beyond.

Outside: the focal point of Melina is undoubtedly the superb panoramic infinity pool, which is surrounded by good-sized sunbathing terrace and a shaded area that is ideal for al fresco lounging and dining with sea views. If, after staring at the sea for a while, you wish to go for a swim in it, a 5-minute walk down through the garden and along a quiet little road will get you there!

CONSIDERATIONS

Next to Melina is her sister house, **Christina**. They are completely independent and designed to ensure that guests at each have full privacy while at home or on the terraces. They share entrance gates at the top and the bottom of the terraced gardens and are perfect for larger groups or two families looking for two villas close together while remaining independent.

Melina features an infinity pool, offering swimmers stunning views while in the pool. There is a drop over the infinity edge so we recommend children are supervised at all times. Please refer to our **general health and safety page** if you would like more information about infinity pools.

Please note that there is no real shallow end in the pool, whose minimum depth is over 1.3m.

Due to the nature of the property's gardens, including low walls and drops, children must be supervised at all times.

MELINA

EXPLORING THE LOCAL AREA

Melina is situated above a secluded bay on the north coast of Meganissi, just a 10-minute walk from the seafront tavernas, shops and harbour of Vathi. This superb position may mean you will not wander too far from your comfortable surroundings, but should you wish to, **Meganissi** and its neighbouring island, **Lefkada**, are eminently visit-able in a week.

Meganissi covers just 20 square kilometres but has plenty to offer, with numerous bays and **beaches** to explore, sleepy white-washed villages, such as Katomeri or Spartochori, to wander around and lots of good walking paths in the centre of the island.

The two main harbours of Vathi and Spilia are great spots for dining on fish, whiling away an hour or two with a drink in hand or setting out on one of the frequent ferries to visit other islands in the Ionian archipelago.
