LAMIA BIANCA

Arrival at Lamia Bianca is a polychromatic feast for the eyes: the clean white façade is interspersed with lavender blue shutters, the lush green lawns contrast with the sparkling azure waters of the Adriatic, and a flush of bright pink bougainvillea completes the quintessential Mediterranean palette.

LAMIA BIANCA

ABOUT THE VILLA

6 GUESTS 3 BEDROOMS 3 BATHROOMS

Inside: accommodation at Lamia Bianca is spread over two buildings. The main house, accessed from the sea view courtyard, is home to a cosy, bright living area, with high vaulted ceilings and stone clad flooring, two original elements that are repeated throughout the rest of the house.

From here we move into the small, but well-equipped and functional kitchen with dining table and access to the delightful walled courtyard garden and al fresco dining area.

A door from the kitchen leads to the sleeping area, comprising a double bedroom with en-suite shower room and a double-twin with adjacent shower room. Both bathrooms have sunken showers, reached via a couple of steps.

Just across the sea-view courtyard is the light, bright, dependence, which houses the third bedroom, complete with en-suite shower room and views of the sea.

Outside: outdoor living is what Lamia Bianca really excels at! There is a wonderful variety of areas in which to relax, snooze, dine, recline and have fun.

Between the main house and the dependence, is the large sea view courtyard, flanked on either side by trees, shrubs, lawns and low dry stone walls. Here, just outside the dependence, there is a shady lounge area and wood-burning pizza oven.

An arch by the side of the main house leads to the delightful walled garden, divided into a lawned area with trees and an idyllic, shady al fresco dining area, also accessed from the kitchen.

From here another arch leads to the walled pool area, featuring a sensuously curvaceous pool with the added bonuses of a shallow paddling end that is ideal for younger children and a hydromassage corner (ideal for adults!). Last, but certainly not least is a shady lemon grove.

CONSIDERATIONS

The sunken showers are accessed via a few steps that may not be suitable for anyone with mobility problems.
