CASA ROMIGI

ABOUT THE VILLA

8 GUESTS 4 BEDROOMS 5 BATHROOMS

Inside: accommodation at Casa Romigi is all on one level. The property, consisting of five *trulli* cones and a couple of *lamie* (another typical Puglian construction), is full of character and has been sensitively restored to create a light-infused, spacious environment, furnished with comfort and homeliness in mind.

A pair of glass sliding doors access the bright, generously proportioned living area, which is comfortably and charmingly furnished with large sofas and a cosy daybed near the fireplace. A door leads from here to a large, double-aspect kitchen-diner, looking out over and accessing the gardens and al fresco dining areas on two sides. Another door in the living area opens into the main bedroom, which comprises a panoramically-placed double bed and an en-suite bathroom with tub and shower attachment.

Back in the kitchen, a door leads into a corridor, off which, in one of the *trulli* cones, is a double bedroom with en-suite bathroom with tub and shower attachment and access to the gardens.

Continuing along the corridor, passing a shower room and a laundry room, one comes to an elegant, welcoming *trullo* cone hallway, furnished with a sitting area and day bed. From here one accesses the remaining bedrooms: two double-twins, each with its own en-suite bathroom with tub and shower attachment. One of these rooms also has its own access to the surrounding gardens.

Outside: Casa Romigi is set in an extensive garden, much of which is planted with centuries-old olive trees. Immediately surrounding the house are a series of paved terraces, furnished for lounging and dining and accessed from the kitchen-diner, the living room and two of the bedrooms.

The main terrace, which is accessed from the kitchen-diner, leads to a large expanse of lawn on two levels, the upper part of which is home to the lovely

pool area. Mature trees provide shade for an afternoon snooze amidst the peace and quiet of the Puglian countryside.

EXPLORING THE LOCAL AREA

Casa Romigi is situated at the southern end of the Valle d'Itria between **Ostuni**, a beautifully restored baroque town with stunning panoramic views, and the pretty centre of Ceglie Messapica. The Valle d'Itria, however, is probably best known for its **trulli**, and nowhere are these more in evidence than in the picture-postcard town of **Alberobello**, **Locorotondo**, **Cisternino** and **Martina Franca** are also well worth a visit. If you are looking for beaches, the Adriatic coast offers long stretches of sand and some well-recommended lidos from which to enjoy it. Further afield, **Lecce**, **Gallipoli**, **Otranto** and Monopoli are justly famous towns waiting for you to unlock their secrets.
