ABOUT THE VILLA

8 GUESTS 4 BEDROOMS 3 BATHROOMS

Inside: accommodation at Fontana is arranged over two floors. The ground floor is given over to the sleeping quarters, comprising four bedrooms: the main double with en-suite bathroom with tub, shower and w/c; two double-twins sharing a shower room on the opposite side of the corridor; and a second double bedroom with en-suite bathroom with shower and sink. These last three bedrooms share a w/c accessed from the corridor.

All the bedrooms have wonderful sea views and large sliding glass doors opening onto a panoramic terrace. A flight of stairs leads up to the first floor, which is home to a large open-concept space comprising a living area with comfy sofas, a dining area, a contemporary fitted kitchen.

Lofty, white-painted beamed ceilings create an airy atmosphere, while a series of large sliding glass doors brings in the light and the wonderful sea views and provides seamless access to the fabulous terrace beyond.

Outside: al fresco life at Fontana revolves around the superbly panoramic first floor terrace accessed from the kitchen and living and dining areas. Blessed with stunning views over Palombaggia bay, this terrace offers a shady al fresco dining area served by a barbecue, a comfortable outdoor sitting area and a large expanse for teak decking wrapping round the sublime infinity pool.

Steps to one side connect the terrace to the parking area, from where one may begin one's stroll down to the irresistible beaches of Palombaggia. Outdoor space is completed by a panoramic sea-view terrace on the ground floor, accessed from each of the bedrooms.

CONSIDERATIONS

Fontana features a fantastic infinity pool, offering swimmers stunning views out to sea while in the pool. There is a drop from the infinity edge so we recommend children are supervised at all times. Please refer to our **general safety page** if you would like more information about infinity pools.

EXPLORING THE LOCAL AREA

Fontana is located in the southeast of Corsica, just a few kilometres south of **Porto Vecchio**, one of the islands most charming towns. Just a few minutes' drive below the villa are some splendid **beaches**, including the long expanses of white sand and shallow, crystalline waters of Palombaggia and Tamaricciu. A few minutes more in the car heading south and you will arrive at the glorious semi-circular bay and beach of Santa Giulia.

Nearby Porto Vecchio offers a great deal, including a good selection of shops, bars and restaurants and a nice old town centre looking over the large natural harbour.

30km south of Fontana is beautiful **Bonifacio**, one of Corsica's most dramatically positioned and picturesque towns. Teetering perilously on a high cliff above the sea it offers sublime views over to Sardinia. Meanwhile, just over an hour's drive west is the panoramically positioned, medieval town of **Sartène**, whose pretty labyrinth of streets gives an idea of Corsican life away from the coastline.

Further afield is the island's capital, **Ajaccio**, which is well worth a visit, not least so you can say that you've been to the birthplace of the great Napoleon.
