## ARETE

ABOUT THE VILLA      6 GUESTS   3 BEDROOMS   2 BATHROOMS

**Inside:** accommodation at Arete is spread over one floor. The design is both pleasingly functional and aesthetically satisfying. Furniture and furnishings have been chosen with an eclectic eye, white-painted beamed ceilings make for an airy atmosphere, and concrete floors flow throughout, uniting each space in a sweep of polished grey.

The main entrance takes one into a light-filled, open-concept communal area. A sunken living area is comfortably furnished with a sofa and armchairs gathered around a designer fireplace. Large sliding glass doors lead out onto the pool terrace and bring the views inside.

A few steps lead up to the dining area and kitchen, one separated from the other by a central work station with induction hobs. Here too there are large glass windows accessing the main terrace.

A corridor leads from the kitchen to the sleeping quarters, which comprise three bedrooms: two double bedrooms with views over and access to the main terrace and pool, and a double-twin with access to a side terrace. One of the doubles has its own en-suite shower room, while the other two bedrooms share a family shower room.

**Outside:** outdoor living revolves around the large area of terrace to the front of the house. From here views stretch out over the surrounding vineyards and out to sea.

A large covered area, accessed from the living and dining areas and two of the bedrooms, hosts an al fresco lounge area and dining table. A couple of steps from here takes one down to the splendid infinity pool, which points out to sea, offering more of those wonderful views.

ARETE

EXPLORING THE LOCAL AREA

Some of Sicily's best beaches run along the coast between Mazara del Vallo and Agrigento and many of these, including the ones at the **Belice Nature Reserve**, Porto Palo and Menfi, are just a few minutes drive from Arete.

Not to be missed is the superb archaeological site of **Selinunte** and the **Cave di Cusa**, followed, maybe, by a superb lunch or dinner at the seafront restaurant La Pineta in the Belice Nature Reserve). Several of the towns nearby are also well worth a visit. **Sciacca** and **Mazara del Vallo** both have charming old centres, some great restaurants and working ports with large fishing fleets that work the Mediterranean daily. A little further afield but still in easy day-trip distance are **Marsala**, **Trapani** and **Erice**. Caltabellotta is spectacularly situated in the craggy hills overlooking both coast and interior, while **Menfi** itself is an up-and-coming centre of excellence for the wine trade.

The beaches in the area of Porto Palo-Menfi have received 20 consecutive "Bandiere Blu", attesting to the cleanliness of the water and their general ecological excellence.

Cycling in the Menfi area is a very pleasurable pastime, thanks to both the quiet back roads and the purpose-built cycle track along and around the old railway line between Menfi, Porto Palo and Sciacca. We'd be delighted to have bikes delivered to your villa and, if anyone in your group is an inveterate pedaller, arrange for a local guide to show them the best routes.
